

POSSINGHAM & SUMMERS

McLAREN VALE

MALBEC

2014

John and Carol's vision of restoring a 70 year old Blewitt Springs vineyard to its former glory began in 1984. Since then the Estate has grown to include a state-of-the-art winery, allowing full control from harvest to bottling. A hands-on approach and minimal intervention allows the varietal flavours achieved in the vineyard to carry through to the bottle. The Estate Range proudly bears the family name.

Grown on our Estate Vineyard this Malbec shows intense aromas of violets, spice and perfume. The palate delivers lashings of dark cherries and chocolate with superb balance resulting in a long dry finish.

Possums
